

Project Coordinator

HOPES Inc.
(Housing Options Providing Extra Support)

HOPES is an organisation committed to the development of an innovative Co-operative Living Concept, providing a level of independence, support, sense of community and family respite for people with acquired brain injury and/or neurological disabilities and their primary carers.

The HOPES Co-operative Living concept offers a unique solution to an identified need within the Tasmanian community.

Are you passionate about fairness and equality for all with a commitment to making a change?

We are seeking a person to assist the HOPES Committee in the next phase of the Co-operative Living Concept

Essential Qualities

- ✓ Empathy with the HOPES philosophy
- ✓ Good administrative skills
- ✓ Excellent communication & interpersonal relationship skills
- ✓ Ability to work autonomously
- ✓ Have knowledge of State & Local Govt planning & land development processes
- ✓ Computer skills
- ✓ Ability to think laterally

The Project Coordinator position is offered on a contract basis to

- Assist with an ongoing proposal at Rosny, where HOPES is working with two other groups to develop a village concept on a large parcel of land currently owned by Clarence Council.
- Research & assist with submitting proposals for Government funding
- Seek other suitable land sites for the Co-operative Living Concept.

For Contract and remuneration details, with a view to submitting an expression of interest, please contact

The President

Sue Hodgson
